Board games

# Szymon Sobiepanek

Experienced web developer, thrilled to learn new technologies. A former rower and therefore a self-motivated team player with a passionate interest in teaching projects, training his soft skills while working afterhours as volunteer coordinator.

## 💡 Experience

02/2021 - Present

(remotely)

Senior full-stack Developer - SynergyCodes

- Leading a team of developers expanding data catalog application (TypeScript, Angular, GoJS)
